

Registration Form for WFC Scientific Committee

Personal Info.

Name: LI Wei

Title: Professor

Affiliation: Jinan University

Education Background

Xian Jiaotong University, P.R.China 1997.2-2001.12

Major in: Materials Science and Engineering

Degree: Doctor

Xian Jiaotong University, P.R.China 1980.9-1984.7

Major in: Foundry

Degree: Bachelor

Working Experience

Company 1: Institute of Advanced Wear & Corrosion Resistant and Functional Materials, Jinan
University, P.R.China 2003.6-Now

Position : Professor, Director

Responsibility: Research and development of iron and steel material

Major Achievements:

1. Second prize of national science and Technology Progress Award,2015.

Company 2: Guangzhou Research Institute of Non-ferrous Metals, P.R.China 1993.6-2003.6

Position : Senior engineer

Responsibility: Research and development of iron and steel materials

Company 3: Shenyang Research Institute of Foundry (SRIF), P.R.China 1984.7-1993.6

Position : Senior engineer,

Responsibility: Research and development of iron and steel materials

Project experience

• Project 1 2009.7-2013.12

Project information: R & D and integrated demonstration of key technologies for material saving and wear-resistant ferrous material

Responsibility: Responsible person
