

Registration Form for WFC Scientific Committee

Personal Info.

Name: Tongmin Wang

Title: Professor

Affiliation: Dalian University of Technology

Research Interest

Non-ferrous alloys, thermoelectric materials, metal-matrix composites and high-entropy alloys.

Main Achievements (<200 words)

Tongmin Wang is currently a professor of Materials Science and Engineering at Dalian University of Technology. He was awarded “The National Science Fund for Distinguished Young Scholars” of China in 2015. He received his Ph.D. degree in Materials Science and Engineering from Dalian University of Technology in 2000. After that, he spent five years as a visiting scholar at the Osaka University and RWTH Aachen University, respectively (2000–2005). He has hosted more than 30 projects. He has published more than 300 SCI papers and more than 50 authorized national invention patents.
